St. John's Lutheran School - January 9, 2019 www.stjohnsburlington.org

Chapel & Mission Offering

We will be gathering on Friday for one more chapel worship in the second quarter. This Friday will also be our final offering collection supporting the Apache Mission as they celebrate 125 years of God's grace.

Thank You

Your Pastors and the entire School ministry team at St. John's wish to extend a thank you to all who has enriched our Christmas with good wishes, cards, gifts and prayers. Thank you.

SLHS Open House

The next SLHS Open House is scheduled for Wednesday, January 16, from 6:00-8:00pm. This is an excellent time for incoming and prospective students and parents to learn more about how SLHS achieves its mission through Biblically grounded, Christ-centered and Gospel-driven programs. Shoreland is already accepting applications for the 19-20 school year. The online application can be found at www.slhs.us and clicking "Apply Now".

Vocal Choirs, Bells, and Chimers

Jr. Choir, Youth Choir, Jr. Bells, and Chimers will begin once again on January 14. Practice for vocal choirs begins at 3:05pm and Bells and Chimers begin at 4:00pm. Youth Choir and Chimers will meet in the meeting room, and Jr. Choir and Jr. Bells will meet in the balcony.

Lion King Practices

Practice schedules went home with actors before Christmas break. Actors are allowed to stay after school in the 8th grade room anytime the initial practice for the day starts at 4:00 or before. If the initial practice starts after 4:00, parents can make use of after-school care if necessary. Contact Mrs. Edgington if you have any questions.

Spelling Bee Honors

Congratulations to all our students who participated in the school Spelling Bee on December 21. Special honors to our top class spellers:

5th Grade: Porter Tiedt

6th Grade: Katelyn Wilson

7th Grade: Erin Borchardt

8th Grade: Mason Gill, Runner Up

8th Grade: Joslyn Hill, School Champion

Geography Bee

Each of our fourth through eighth graders participated in the first round of the National Geographic's GeoBee. From those results, 11 students will be moving on to the Geography Bee competition on Wednesday, January 9 at 1:30. The results from this unique challenge will be published in the next newsletter.

Map Testing Dates

The Winter testing period for grades 3-8 is planned for January 15-18. Each student will participate in skill testing in math, reading, and language. We will try to complete any makeup testing on January 21-22. The results will then be used to adjust their individual Study Island learning goals.

Report Cards

With the close of the quarter next Wednesday, all of the teachers will be finalizing grades and preparing report cards. We are planning to send these home with each student on Thursday, January 24. They will also be available through your TADS Educate account.

Burlington Little League Registration

Online Registration is now open thru February 15 for boys and girls, ages 4-15. Register online at (www.blbbaseball.com). Flyers are available next to the Cafe in our school hall.

Be Kind. Don't Share.

During cold and flu season it is even more important that we take precautions to minimize sharing. Those who do get sick should remain away from school for at least 24 hours after a fever or vomiting subsides. Please give time to recover before coming back to school. We want everyone to stay strong and healthy.

Social Studies Fair

The blessings of God's creation are amazing to behold and explore. We are social by God's design. We live in a world with varied climates and geography. The stories of civilizations, nations, tribes, and families reveal God's providence and care. Our Social Studies Fair gives our third through eighth graders an opportunity to explore a special aspect of these topics. Each 5-8th grader will be receiving a digital copy of the guidelines for this project. We will share the link through our website and newsletters for parents as well. All of the projects will be displayed for the public on April 23.
