St. John's Lutheran School - August 29, 2018 [www.stjohnsburlington.org](http://www.stjohnsburlington.org)

## School Theme

When Peter saw Jesus in His transfigured glory (Matthew 17), he exclaimed, "Lord, it is good for us to be here." The same is true for us on the hill at St. John's. We are grateful to serve as your partner in training young disciples of Christ. Throughout the school year we will be growing together under the theme "Living for Jesus". Together we will explore this thought within God's Word and practice it in our words and actions.

## 1st Quarter Mission—"Vicars In Mission"

New pastors don't just grow on trees. So where do they come from? After completing training at Martin Luther College, future pastors continue their training at Wisconsin Lutheran Seminary. During the third of those four years, these young men serve as vicars in WELS congregations like St. John's. Recently the Seminary has been trying to place the vicars in mission congregations. This opportunity allows the vicars to see how integral outreach is to ministry and prepares them for mission work no matter where they end up serving. Please remember this mission in your prayers and chapel offerings.

## Immunization Reminder

Grades PK, K, and 6 are all required to turn in updated immunization records. Please turn them into the school office as soon as possible.

## Parents Please Note: Before/After School Care

Please do not drop off and leave children unattended before 7:50am. The faculty's morning Bible study ends at 7:45 and we will open the doors shortly afterwards. If children need to arrive earlier, they should be brought in to the Before School Care. Students remaining here after 3:15 will attend the After School Program. Both Before and After School Care is billed monthly to the parents. **Thank you for your help in keeping our students safe!**

Mrs. Meinke, the preschool teacher, will be taking pictures of students wearing the color of the week to be hung in the hallway or used in the year-book.
