## 1st Quarter Mission—"Vicars In Mission"

New pastors don't just grow on trees. So where do they come from? After completing training at Martin Luther College, future pastors continue their training at Wisconsin Lutheran Seminary. During the third of those four years, these young men serve as vicars in WELS congregations like St. John's. Recently the Seminary has been trying to place the vicars in mission congregations. This opportunity allows the vicars to see how integral outreach is to ministry and prepares them for mission work no matter where they end up serving. Please remember this mission in your prayers and chapel offerings. So far we have collected \$66.17 for Vicars in Mission.

## Picture Day

We hope to capture a smile from every student from 3K through 8th grade on Tuesday, September 18. Photographers from School Pics will be coming to take pictures of every class. They will also take pictures for any students who did not have theirs taken during the "Welcome Back" night in August. If you would like to have your child's August picture retaken, they will do that as well. We will be sending home the August picture proofs as soon as they arrive.

## K-2 Sing

The kindergarten through 2nd grade classes will sing at the September 23, 8:00 AM church service.

## Fall MAP Schedule

Our 3rd through 8th graders will be working on three different standardized tests during September 24-28. These math, reading, and language arts tests from NWEA MAPS help to identify student's individual areas of strength or weakness. This year classroom teachers will also use the results to help each of these students with individualized learning and practice. Using the online service from "Study Island", teachers will connect the MAPS test results throughout the year to help students where they most need a boost.

## Junior & Youth Choir 🎵 Jr. Bells and Chimers

Youth Choir and Jr. Choir practices are from 3:05-3:55 pm and Jr. Bells and Chimers practices are from 4:00-4:35 pm. Practice is every Monday. Please note that those students who are not in choir but are in bells/chimers, or have siblings in choir or bells/chimers will be required to go to our aftercare program if they stay at school.

## EJO Tye-Dying Volunteers Needed

Our annual EJO tye-dying of shirts is coming up in a hurry! The date is Friday, September 14, at 1 PM. We will need 10 people to help with the dying and 10 to assist with the washing of shirts at their homes. ## Sunday School and Bible Study

Another way we keep "Living for Jesus" is by being a part of Bible study and Sunday School. This year St. John's is offering more than ever. Beginning this weekend, our Sunday worship times return to 8am and 10:30am, which gives us 9:15- 10:15am as our Sunday Bible study hour. The Sunday School is ready for Preschool through 8th grade students. This year we have something brand new to choose from: our Adult Sunday School! The Adult Sunday School will be taught by lay leaders in our church and will cover the same lessons taught in the youth Sunday School. Parents can hear and discuss the very same Bible lesson as their children. What a great opportunity for family discussions on Scripture! The other Adult Bible Class will pick up with the Gospel of John. A new Adult Bible Class will also start later in 2018. Come and be strengthened to keep "Living for Jesus".

## Social Studies Fair

Who's already thinking about a Social Studies Fair topic? No worries! The yearly rotation of Social Studies and Science Fairs have been moved into the spring. This year's Social Studies Fair is scheduled for April 23. In a few weeks, we expect to be able to share project guidelines and help pages to lessen any anxieties.

## "Color Days" Are Here Again!

It is that time of year when the whole school can wear the "Color of the Day" on Thursdays.

For the past several years, St. John's students and faculty have been celebrating "Color Days" by wearing the color of the week that 3K is learning about in school. Mrs. Meinke, the preschool teacher, will be taking pictures of students wearing the color of the week to be hung in the hallway or used in the yearbook.

Thank you for your participation. It is a lot of fun to see the whole school participating in "Color Days".
