## Living for Jesus Means Asking God for Strength

This week we will take a look at God's servant Nehemiah. In the face of great adversity he encouraged God's people to continue the work that God had prepared them to do. Nehemiah remembered well that God gives his people their special strength to fight against the devil. Take a few minutes with Psalm 18:35 and let God comfort you in "Living for Jesus". Everyone is invited to join with our school children for our chapel worship on Friday at 8:10.

## 1st Quarter Mission—"Vicars In Mission"

New pastors don't just grow on trees. So where do they come from? After completing training at Martin Luther College, future pastors continue their training at Wisconsin Lutheran Seminary. During the third of those four years, these young men serve as vicars in WELS congregations like St. John's. Recently the Seminary has been trying to place the vicars in mission congregations. This opportunity allows the vicars to see how integral outreach is to ministry and prepares them for mission work no matter where they end up serving. Please remember this mission in your prayers and chapel offerings.

## Keeping Up Through TADS

Progress reports are always available for you to see on your TADS Educate account. The online reports are updated automatically when the teachers add new grades. Students and parents can also see what is behind the summary grades listed on the report with a few more clicks. If a current grade has you concerned or you want some help navigating through TADS, please reach out to your classroom teacher.

## Trunk or Treat at St. John's

Help raise neighborhood awareness of St. John's by participating in Trunk or Treat on October 31 from 6-8 pm. Park your car in our parking lot before 6 pm and hand out treats. St. John's will provide you with trinkets to hand out as part of the Teal Pumpkin project, raising awareness of food allergies and promoting inclusion of all trick-or-treaters. This year we will have stories around a campfire as well as music, hot chocolate, popcorn, and water. If you cannot hand out treats, please make St. John's one of your stops that night, and don't forget to invite your friends and neighbors!
